Admission Process

IIKM admits students with a proven calibre to perform. Admission process to the MBA programmes is facilitated through a rigorous selection process which requires highly competitive CAT/XAT/MAT/GMAT/IIKM-MAT scores, performances in personal interview and other criteria. The students are handpicked by the experienced faculty to ensure that the students perform remarkably well in academics during their two year stint at IIKM and later go on to achieve great success professionally.

Steps involved in Admission process:

- **Step 1:** Register and apply for at least any one of the entrance exams – CAT 2019; XAT 2020; MAT; GMAT or IIKM-MAT.
- **Step 2:** The candidate should apply to IIKM through online by using the common application form
- **Step 3:** Complete the IIKM application form. In the ‘Application Form‘ the candidate must provide educational qualifications, contact details, and at least one of the following IDs: ID for CAT-2019, XAT-2020, MAT, GMAT. More than one test IDs can be submitted. The applicant is required to fill the IDs of the test scores he/she wishes to submit or IIKM-MAT to be cleared.
- **Step 4:** Candidates are short-listed for Personal Interview (PI) round from among the eligible candidates who have a valid entrance score and have applied to the programme of IIKM. The Personal Interview process will be conducted in the months of January/February 2020 and will be common for all the MBA Programmes at IIKM.
- **Step 5:** After the PI round, admission offers are made by IIKM to successful candidates. The final selection for Work Integrated MBA program is based on the performance in PI round by the respective companies and will be offered provisional offer letter for OJT. First batch of Work Integrated program will be finalising by 15th February 2020. The 1st batch will be starting by March 2020. Second batch will be starting by June 2020.

- **Step 6:** Final Admission Offer will be made to the candidates in the last week of February 2020 on the basis of Final Score arrived after awarding the weightage scores on all the components.
